## **PRESS RELEASE** **July 3, 2012**

On Tuesday, July 3<sup>rd</sup> at 1658 Hrs., Lake County Sheriff Deputies responded to reported burglary in progress at 53 Meadows Dr., Painesville Township. The residents were present outside when the 32-year-old neighbor, Christopher Haller approached on foot acting irrational and entered their home claiming it to be his own. Deputies arrived and discovered forced entry made to the front door. Deputies arrested the male who was acting highly erratic and volatile in the kitchen area of the home. During his arrest, a brief struggle ensued before the male was effectively subdued by Taser use with no injuries resulting. He was booked into the Lake County Jail on charges of burglary and resisting arrest. It is suspected that the male was likely to be under the influence of illegal drugs.
